Book 7 - Back Cover

*1 While writing I was wondering why He says I should remain nothing now and before He said I must hurry and change growing stronger etc. He must have read my thoughts because He answered immedia-tely. Next sentence.

*2 I had made it a point while praying that night to avoid saying Father, but referred Him as God, being careful to avoid it. I don't really know why, but maybe I thought I should put more formality in my prayer.
